Will you host an **Italian** guest during **August Community Week?**

We're hoping to host an **Italian Team** again this year during **Community Week - 10-17 August** and to that end, we are looking for host families! It would require feeding the guest(s) breakfast every day, Sunday lunch, and some evening meals during the week (depending on programme). We will endeavour to put at least one person with a reasonable knowledge of English in each home! If you might be able to help with this, contact Robert Hamilton on 07711 924145 or robert@scrabo.org

Postal Bible School Lessons

As many of you know we have been partnering with two local schools (Victoria Primary School and Regent House Prep) to help them deliver their RE syllabus. This is done through the postal bible school lessons. The children complete the lessons each month, Glenn collects them and a number of people mark them before they are returned to the school. The lessons are very clearly biblical and provided a further link with our local schools.

It's great to have so many dedicated people who are marking the lessons, however we could do with some more. They are very straightforward to mark and Glenn will be able to give you any advice you need. If you feel this is something you could help with please speak to Glenn.
