Gerry and Dorothy Seed

Together they have served the Lord in France since 1988. Gerry comes from the Prairies in Saskatchewan, Canada and Dorothy is from Dundonald. They met on a GLO team in France. For seven years they served in a pioneer situation in the town of La Flèche and since 1995 they have been working with churches in Nantes, near the North-Western coast of France. Gerry's passion is for teaching and building up the Church and encouraging new church plants. Dorothy is involved in the Ladies' Group and she is the manager of the Christian bookshop in Nantes. They have four adult children, spread between the south of France, the area of Nantes, and Scotland.

The Life Exhibition

Dates for Your Dairy

Tues 27th Sept – Wed 5th Oct

One of the many casualties of Covid was our Bi – yearly visit of this excellent exhibition for local schools. It's exciting to have it booked to come again this year on the dates above. As always there is a need for volunteers to run it: a small team to set up dismantle, guides, minibus drivers, people to provide refreshments for the children and staff and lunch for the team.

if you can help, put the dates in your diary and if you need any more information speak to Glenn. This is a fabulous resource for introducing children to the life of Jesus. Check it out for yourself:
